

Proposed Extreme Constitutional Amendment on Abortion

BE VIGILANT!

THE EXTREME AMENDMENT WOULD:

Establish a radical, so-called “fundamental right” to abortion in the Virginia Constitution.

Opposed by the Virginia bishops.

The proposal was **approved** by the General Assembly in 2025. If it passes the **legislature again in 2026** – and is approved by Virginia voters on a ballot – **it would become law.**

THIS IS AN EXTREME, RADICAL AND DEADLY AMENDMENT

It would enshrine **virtually unlimited** abortion **at any stage** of pregnancy as a “fundamental right” in Virginia’s constitution. The Amendment goes **far beyond** what *Roe v. Wade* allowed:

- Does not include any age restriction
- Does not include any safety standards
- Jeopardizes Virginia’s parental consent law
- Jeopardizes religious liberty
- Could force taxpayers to fund abortions
- And has numerous other problems!

ABORTION IS A FUNDAMENTAL TRAGEDY NOT A “FUNDAMENTAL RIGHT”
