

STOP THE EXTREME ABORTION AMENDMENT

VOTE *NO* STARTING SEPT. 18 THRU NOV. 3

IT WOULD ESTABLISH A
RADICAL, SO-CALLED
"FUNDAMENTAL RIGHT" TO
ABORTION IN THE VIRGINIA
CONSTITUTION.

The amendment is dangerously vague and creates risky loopholes for unregulated abortions even up until birth, by unlicensed abortion providers, threatening the health of mothers and healthy babies.

Abortion is a fundamental *tragedy*, not a "fundamental right"

VOTE NO

The amendment:

- lets the government remove parents from critical healthcare decisions involving their children;
- fails to require care for babies born alive after an attempted abortion, allowing them to be left to die without life-saving treatment; and
- adds no new protections for women's health — Virginia law already safeguards care for miscarriage, ectopic pregnancy, and serious medical complications.
