

Proposed **Extreme Abortion** Constitutional Amendment

Vote NO on Ballot Question 1

It would write virtually unlimited abortion into Virginia's constitution.

This is an extreme, risky and deadly amendment that puts women's health and safety at risk.

Virginia law already safeguards care for miscarriage, ectopic pregnancy, and serious medical complications.

The amendment lets the government remove parents from critical healthcare decisions involving their children.

The amendment fails to require care for babies born alive after an attempted abortion, allowing them to be left to die without life-saving treatment.

Early voting starts Sept. 18!
Election day is Nov. 3!
