

Proposed Constitutional Amendment **Rejecting the Truth about Marriage**

Vote NO on Ballot Question 2

- ✗ It would remove the definition of marriage as the “union between one man and one woman” from Virginia’s constitution.

Marriage is the union of a man and a woman. God’s design and purpose for marriage existed before any nation, religion or law.

Marriage – created by God – is essential to the common good. We are called to preserve God’s design. The family is the fundamental unit of society.

“With a heart filled with gratitude and hope, I would remind all married couples that marriage is not an ideal but the measure of true love between a man and a woman: a love that is total, faithful and fruitful.”

– Homily of Pope Leo XIV, Jubilee of Families, Children, Grandparents and the Elderly, 2025
